

Volunteer in Sunshine Village Foster House

Volunteered at a foster home located in the suburbs of Beijing, the great majority of kids here had their parents in jail and unable to provide for them. I would play and spend time with these kids to make their day a little brighter; I also donated canned food and clothes

This was the 8th for me to come to Sunshing Village Foster House in 2016

This was the 10th for me to come to Sunshing Village Foster House in 2018
